Coach Engebretsen

Objective C: Applying and Performing

Objective D: Reflecting and Improving

Performance

Willows Preparatory School 2018-19

I.B. Learning Aims & Goals

The aims of Physical and Health Education are to encourage and enable students to:

- Use inquiry to explore physical and health education concepts
- Participate effectively in a variety of contexts
- Understand the value of physical activity
- Achieve and maintain a healthy lifestyle
- Collaborate and communicate effectively
- Build positive relationships and demonstrate social responsibility
- Reflect on their learning experiences.

I.B. Learning Objectives I.B. Grading Criteria All IB objective criterion will be assessed a minimum of twice throughout the year. These assessments will be formal, informal, self-evaluation, performance, or even project based. The success in the objective criterion is measured on a 0-8 Objective A: Knowing and Understanding Objective B: Planning for Performance I.B. Grading Criteria All IB objective criterion will be assessed a minimum of twice throughout the year. These assessments will be formal, informal, self-evaluation, performance, or even project based. The success in the objective criterion is measured on a 0-8 scale. Limited 1-2 Adequate 3-4

Adequate 3-4
Substantial 5-6
Excellent 7-8

A cumulative score is calculated for the year using the criterion scores and this is referenced on a scale of 1-7.

Further detail, specific to P.H.E., regarding the grade descriptors is available in the P.H.E. OneNote notebook.

Local Grading Criteria

Students will receive a local grade which is percentage based and letter referenced.

| Participation | 70% |
|------------------|-----|
| Homework | 5% |
| Quizzes | 10% |
