

IB Middle Years Program Year 1 Physical and Health Education

6th Grade Physical and Health Education, Willows Preparatory School

Keys to Class:

- **Get comfortable being uncomfortable:** Physical Education is all about trying new things, working outside your comfort zone, and developing your capacity for growth and resilience in a safe and fun environment. In order to do that, there may be tasks, challenges or activities that you love, and some that you find difficult, and that's OK! All I ask is that you show up and try to the best of your abilities on any given day.
- **Dress code:** At this time students are asked to come to school prepared wear comfortable clothes they can move freely in on the days they are scheduled to have PE (this includes shoes that they can run in). Once COVID restrictions are lifted students will be asked to change into PE uniforms before class. Please also ensure that your child comes to school with a water bottle every day, and that they bring it to PE.
- **Participation:** Participation points are awarded for wearing clothes fit for PE, bringing a water bottle, and actively participating in the lesson activities.
- **Resources:** All resources used in lessons can be found on OneNote, however assignments will be turned in on Managebac

Willows Preparatory School teachers create and implement both formative and summative assessments, both of which are related to each other and integral to the learning process.

Formative Assessment (20% of semester grade) – assessments that provide smaller amounts of feedback on specific learning objectives and/or require students to demonstrate their knowledge of specific targeted aims in order to drive future instruction (e.g. at WPS: lesson exit ticket, daily warm-ups, comprehension quizzes, etc.).

Summative Assessment (80% of semester grade) – assessments that are designed to provide evidence for evaluating student achievement using required MYP subject-group specific assessment criteria² (e.g. at WPS: written assessments, projects, presentation, performances, etc.).

Late Work

- I understand that various situations and conflicts can arise in terms of a student's ability to turn in work on time, nevertheless time management is something to be learned and practiced during middle school. In an effort to accommodate for this, all late work will be determined on an individual basis: the individual MUST have a conversation with myself AT LEAST 2 days prior to the due date of the assignment/project. If the student does not have that conversation, late work will automatically receive a deduction of 10%.
- Late work will only be accepted up to 1 week after the initial due date (unless otherwise agreed upon with the individual).
- YOU MUST NOTIFY ME THROUGH EMAIL when you have submitted late work or revised work
 - YOU MUST PUT 'LATE WORK' IN THE SUBJECT LINE
 - YOU MUST STATE WHAT ASSIGNMENT WAS SUBMITTED IN THE EMAIL

- I usually don't respond to Late Work emails, they are like a checklist for me to use when grading

Tests & Quizzes

- If you know that you will be missing school the day of a test or quiz, you may ask permission from me to take the test/quiz early. If you miss the test on the day (unplanned) you must reschedule with me to have your test/quiz taken within the week.
- It is your responsibility to ask about and complete work you have missed
